

Week 3

Practicum Project: Community and Environment Assessment Worksheet

Name: [REDACTED]

Date: [REDACTED]

Directions: A windshield or walking survey is a critical component of the Practicum Project. Complete this worksheet to conduct a systematic observation of your community environment. It is recommended to repeat the assessment more than once to capture an accurate picture of the community. Use this worksheet to complete the Week 3 Discussion.

Community Information

Provide a brief description of the community information.

Community Information	
Name of city or town and state	Sandwich, MA
Type of community (rural, suburban, urban)	Suburban
Description of the community in 2-3 sentences	Sandwich is one of the oldest towns on Cape Cod. The town is located by the sea with rocky beaches, full of history, and is a quiet place to live.

Windshield Survey

Place an "X" in the appropriate box based on observations.

People in the Community	None	Some 1 - 4	Many 5 or more
Did you observe:			
• *pregnant women			X
• *infants (under the age of 1 year old)		X	
• *young children (1- 5 years old)		X
