

## NR436 Practicum Log

Name \_\_\_\_\_

Date \_\_\_\_\_

**Directions:** Each week, you will log the completed Practicum Project, Practicum Mentorship, and iHuman Virtual Patient Encounter hours. The purpose of documenting each encounter is to demonstrate cumulative practicum-related experiences in a single report. This report provides evidence of practicum experience and is required by state boards of nursing and our accreditor, the Commission on Collegiate Nursing Education (CCNE).

There are 49 practicum-related hours available throughout the course. **Successful completion and documentation of 48 hours are required to pass the course. You will record cumulative hours in the Week 2, 3, 4, and 6 Practicum Mentorship and Project Check-Ins. All hours must be completed, documented, and submitted by 11:59 p.m. MT on Wednesday of Week 8.** Submit the log after you have participated and logged your hours for the Week 8 Collaboration Café discussion. You may submit your log through Saturday, 11:59 pm MT, without penalty. Please note that submissions made after Saturday of Week 8, 11:59 pm MT, **cannot be accepted.** Contact the course faculty if you are not meeting the maximum hours allotted.
