## Challenge 2

# Now Try to Remember these Numbers

1    2    3    4    5    6    7    8    9    10    11

12   13   14   15   16   17   18   19   20   21   22

23   24   25

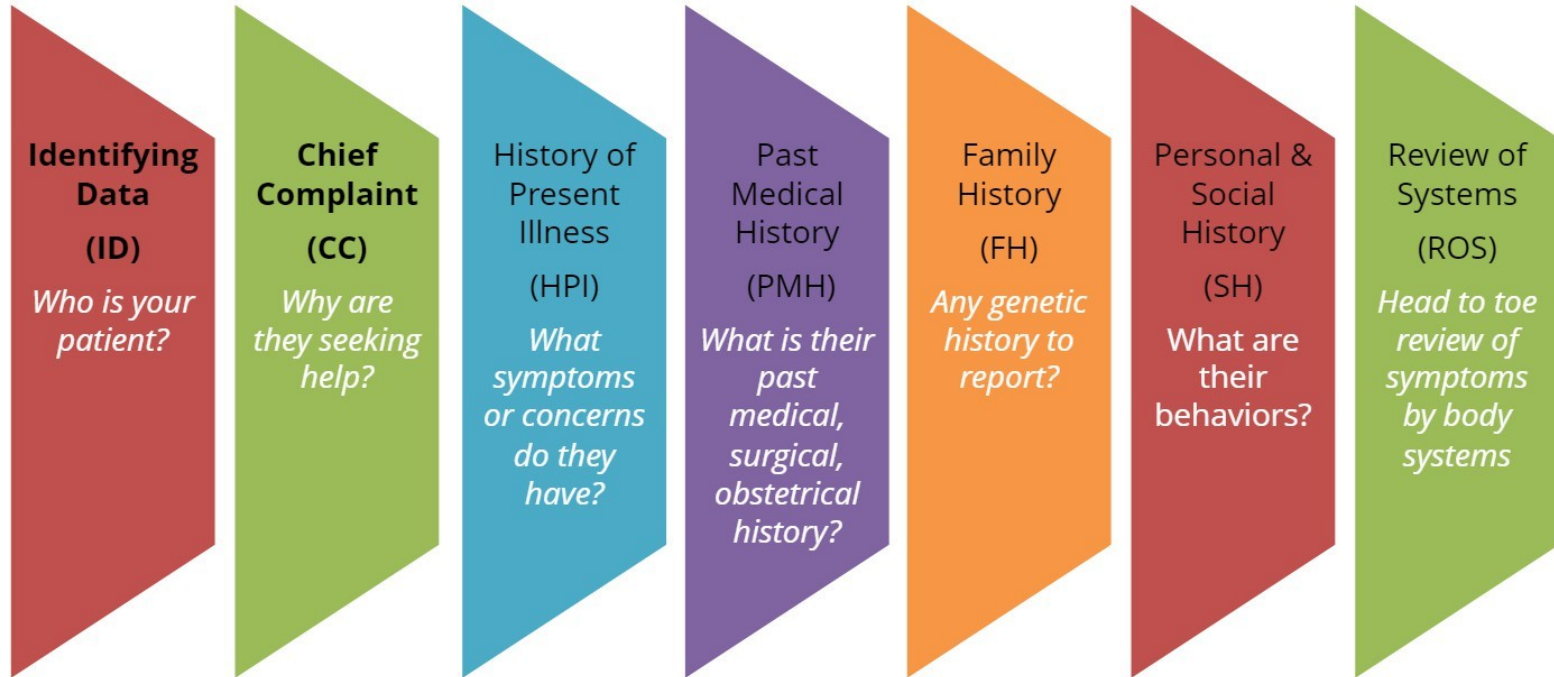

Chances are you all did better because there was a pattern to the presentation of the numbers.
